5267 Castiglioncello

Apartment in historic Villa on a large plot with park, swimming pool and tennis court...right on the sea near Castiglioncello!

This neat 2 bedroom apartment with a piece of private garden within the large communal park, is a unique opportunity for lovers of this special piece of coastline. Since the end of the 19th century, wealthy Toscani came here to build their luxurious villas on the rocks above the azure blue sea. The climate here is very mild and life is 'primordial Italian', which makes it easy to imagine yourself in a classic Italian film from the sixties, with scooters, small beaches with changing rooms and the authentic fishing boats. Castiglioncello which is highly regarded by the Tuscan 'VIP's also features some good restaurants and a modern marina.

The house is in good condition, but could use an update for those who find the aesthetic aspect important. Layout: living room with open kitchen, bathroom, toilet/laundry room, two bedrooms. Two stories. The apartment has two parking spaces on the property, one with a carport. Some moorings for small boats in the harbor are assigned to the VVE and can be rented for a fee.
